OUR SERVICES

Sea Freight: Connecting the world through Sea.

Transport your goods from place A to place B by sea freight for a cost-effective and sustainable option. Our dense network of port locations, own fleet and extensive experience with customized solutions ensure your goods reach their destination reliably and safely by sea.

With ocean freight, you can ship your cargo worldwide with the support of our long-standing partnerships with relevant port operators and shipping lines. We offer a wide range of solutions tailored to your ocean freight requirements, including LCL, FCL and buyer's and seller's consolidation. From river-sea transport and chartering services to supply and disposal for tankers, as well as customs clearance support, we cover all your ocean freight logistics needs.

Road Transport: Connecting the Africa by Road.

Road transport is our specialty, we transport your goods via road from and to Dar es Salaam port almost anywhere in Malawi, Zambia, Burundi, Rwanda and DR Congo.

We get your goods moving no matter where your goods need to go or how big they are, we are here to help. We offer road transport solutions for all your needs, including groupage, part and full-truck loads. Count on us for quick and efficient deliveries, thanks to our daily departures across East and Central Africa.

Air Freight: Fast and reliable worldwide transport.

Experience fast, reliable air freight tailored to your needs. With our global network and extensive product portfolio, we ensure timely deliveries. We support you throughout the entire process, offering services such as handling, customs clearance and insurance as well as digital and express services for a seamless cargo journey.

Our air freight solutions provide fast, efficient transportation for time-sensitive shipments, ensuring that your products – whether pharmaceuticals, electronics or high-value consumer goods – reach their destination quickly and safely. With services tailored to your business, we work with trusted global airline partners to provide seamless transportation.
